

Capital One Cup

May 2016

Diversity Day

Thank you to Mr Madonko and his team for bringing us African drumming on Tuesday 24th May. The children and staff had a great time learning how to replicate the "strong rhythmic interest" that characterises the African music.

On Wednesday 25th May Bernard Halford, life president of Manchester City Football Club visited school and brought with him the Capital One Cup.

The prestigious cup arrived accompanied by two security guards and travelled in a wooden box under lock and key!

All the children were photographed with the cup in their class and we had the opportunity to listen to information about the history of the cup and club and ask questions.

We are the first school that the cup visited this season and Manchester City are making visits to other schools in the near future.

Unfortunately we weren't able to invite parents into school on this occasion. Due to the high figure the cup is insured for it made the security firm nervous just having the children around it! Photographs will be printed and sent home soon.

Best Wishes to Mrs Phillips who is leaving us today, Friday 27th May.

Thank you for keeping our school clean and tidy for the last 9 years.

School Uniform

Follow the link to buy your school uniform for September online at Tesco.

<http://www.clothingattesco.com/tameside/hollingworth-primary-school/inv/106179>

Please write your child's name clearly in your new school uniform.
